

**The BEAUTIFUL thing about LEARNING is that no one can take it away from you. ~ B B King**

Our new school year has begun with all of the hope and promise that each new year brings. All of us at the Tiny Thinkers Preschool welcome you as you start this year's journey with us! We are so happy to have you travel along with us.

Below is the newsletter for the month of September. It contains important information for Infant, Toddler, and Pre-School students about the details of the upcoming month. Have a great school year!

#### Food Program - North Hills location only

Every year month of August/September we asked that food program participants to complete the income eligibility forms to help us with this process.

The food program gives us more options when providing well rounded, nutritious meals. We are now providing infant formula and foods. We appreciate everyone taking time out of their day to complete the forms.

#### Parent/Student Update

It is very important that your child and family information is kept up to date. If there are any changes with phone numbers, addresses, allergies etc... please inform us right away!!

#### Personal Belongings/Change of Clothes

Please send your child to school with an extra set of clothes (including underwear) to be kept in his/her cubby in case of an emergency. We ask that you label all your child's belongings, this will avoid your child from bringing home something that doesn't belong to them.

#### Nut Free School

Please remember that our classroom is a "NUT FREE" Zone. We have children in our school who are highly allergic to nut products. Please ensure that all snacks are NUT FREE!!!

#### School Website

Tiny Thinkers Preschool has a school website [www.tinythinkerspreschool.com](http://www.tinythinkerspreschool.com) Under the parent section we will be uploading our monthly newsletter, menu, and calendar. We ask that each family take the time to read them over. This is our way of communicating

with you what has been happening at school and what will be coming up. A calendar will highlight special events and activities.

Please make sure to follow us on Instagram and face book.

### Feedback needed

Please feel free to come to us at any time if you have questions, concerns, or compliments. This lets us know what we can do differently and what we can continue doing so we can help each person have a wonderful experience.
