

"Summertime is always the best of what might be." – Charles Bowden

Dear Tiny Thinkers Families,

Tuition Increase – We have tried to keep the costs low, while providing your children with a safe Preschool program. As many businesses, we are working to continue to deliver quality services to our participants every day. Our goal is to meet and exceed Tiny Thinkers criteria daily. Due to the increase in cost to continue to do business, we will need to raise the fees. **The change will be effective on August 1, 2022**

Meal Application CAFPCP (The Child and Adult Care Food Program)

If your child is planning to participate in the meal program, please make sure to fill the **meal benefit form** section 1 through 5. If your child is **NOT** planning to participate in the meal program then please make sure to fill the **declining meal, participate form**. If your child has any special dietary, restrictions then please fill the **medical statement form**. Please make sure to get the forms from the school. Also note that we do need to fill this form every year. You can stop by the office and fill out the form in the mornings with Ms. Marisol or in the afternoon with Ms. Genesis.

Summer: The time has come when days start to get warmer. We encourage you to provide a water cup for your child to stay hydrated while in school. To protect your child from the sun, please make sure to fill out the Sunscreen Form. This summer we have planned lots of fun activities to keep your child busy. We have a Summer Camp Program with a variety of fun and exciting activities each week. A Dance & Gymnastics instructor and a Soccer Coach stop by every week, and if that does not sound fun and exciting, we have water play too. If you have any questions or concerns, feel free to contact and ask your school's administration.

Thank you: To all the families and staff, for helping teachers make the best most memorable moment for your preschooler who has graduated this year. Your child will be missed and lots of memorable moments have been marked in your hearts. Graduation was a success, and thanks to you who made it possible. Thank you for giving us the privileged of allowing us to be a part of your child's early education and prepared them to set off into the world of education.

We love donations and we want to thank the families that have made from the smallest to the biggest donations to our classrooms and our school.

Reminders:

- **Please make sure that any authorize person must be 18 years or older & signs in & out your child in the school classroom roster and if applicable the CCRC/DCFS.**
- **Sunscreen forms available at the office.**
- **Water play is an optional activity, your child must come dress with their bathing suit underneath clothes, a towel, sunscreen with form and water shoes please no open-toe shoes.**

Please make a note! The school is unable to allow make up or substitute days for times that a child is absent. There will be NO refund given for days not attended. We DO NOT pro-rate tuition for vacation, sick, holidays or school closures. Have any questions or concerns, please email or call.
