

"Earth does not belong to man. Man belongs to the earth." Unknown

We hope this newsletter finds you well as we welcome the beautiful month of April. Spring has finally sprung, and we are excited to continue learning and growing with your little ones. Here are some important updates and reminders for the month ahead:

We want to express our gratitude to all the families who helped us make our "Community Helpers" theme come to life by taking the time to visit and talk to the children about your jobs and introducing us to other community helpers. Additionally, we want to thank you for making the snack party a success by bringing in delicious treats. Your participation and support mean a lot to us! **Thank you!**

Academic Progress:

Our preschoolers have been doing fantastic work over the past few months. They have been showing progress in their reading, writing, and math skills. Our teachers have been introducing new activities, such as science experiments, outdoor exploration, and art projects, to keep their curiosity and creativity growing.

Reminders:

- Please ensure your child comes to school with weather-appropriate clothing and a water bottle each day.
- Check your child's backpack for any important notices or updates from the school.
- Remember to update your contact information if there have been any changes.
- Please remember to bring your child's water cup every Monday, filled with water.
- It is important to inform us of any allergies and to maintain open communication with your child's teacher. Please label all your child's belongings, including wipes, diapers, and sweaters.
- For snack time, please pack all snacks in a lunch box with blue ice to keep them fresh.
- Finally, we kindly ask that you bring your child to school according to the hours specified in your admission agreement to ensure that we maintain the correct teacher-to-student ratio.

Parent-Teacher Conferences:

Our teachers will be reaching out to schedule virtual parent-teacher conferences in the coming weeks. This will be an opportunity for you to discuss your child's progress, ask questions, and share any concerns you may have. We appreciate your participation and look forward to a productive conversation.

Health and Safety:

We continue to take precautions to keep our students and staff safe and healthy. We encourage parents to keep their children home if they are not feeling well and to notify the school as soon as possible. Please continue to reinforce proper hand hygiene and mask-wearing with your child.

Parents, please be mindful of your surroundings when entering and exiting the parking lot. We would like to remind you that the parking lot closes promptly at 6:00 p.m. from Monday to Friday. We encourage you to pick up your children on time to avoid any late fees and potential traffic congestion.

Upcoming Events:

Earth Day Parade

We have several fun and educational activities planned for the month of April, including Earth Day parade and Easter Egg hunt. All children will be participating in the Earth Day Parade. Administration will be posting pictures of the parade in social media. Please keep an eye out for more details on these events.

Easter Egg Hunt:

The Easter Egg hunt will take place on April 7th, and we kindly ask that you sign up to participate. We highly encourage you to provide healthy options for the hunt, and we ask that you please avoid purchasing candy with nuts. Thank you for being mindful of your choices and helping us keep all our students safe and healthy.

Please make a Note that we close at 2:00 pm on April 7th.

Please make a note! The school is unable to allow make up or substitute days for times that a child is absent. There will be NO refund given for days not attended. We DO NOT pro-rate tuition for vacation, sick, holidays or school closures. Have any questions or concerns, please email or call.
