

“To the world you are mother but to us you are the world.” Unknown

Dear Tiny Thinkers Families,

We hope this newsletter finds you well. As we move closer to the end of the school year, we have planned a range of fun and educational activities for our preschoolers in the month of May.

In the month of May, we have the opportunity to appreciate and honor the dedication, enthusiasm, and special connection that teachers and mothers have with children. A heartfelt thank you, a drawing, or a hug can go a long way in inspiring and motivating them. Also please forget to take the time to thank the teachers and mothers for all they do and give them a simple gesture of appreciation to show them how valued they are.

Here are some of the exciting things we have planned:

Upcoming Events:

- 1) **Mother's Day celebration:** We will be celebrating Mother's Day on May 9th. Our preschoolers will be creating special cards and small gift for their moms.
- 2) **Cinco de Mayo celebration:** For our annual Cinco de Mayo celebration, we will have a potluck sign up, and we will encourage children to dress up in typical Cinco de mayo clothes.
- 3) **Outdoor activities:** As the weather gets warmer, we plan to take our preschoolers outside for nature walks and outdoor playtime.
- 4) **Science experiments:** Our preschoolers will be participating in some fun and educational science experiments to learn more about the world around them.
- 5) **Storytime:** We will continue to read and explore different stories with our preschoolers, helping to develop their language and literacy skills.
- 6) **Memorial Day:** On May 30th, we will be teaching our preschoolers about Memorial Day and what it means to honor and remember those who have served our country.

We encourage parents and guardians to get involved and ask their children about what they have been learning in preschool. As always, please feel free to reach out to us if you have any questions or concerns.

Thank you for your continued support and partnership. We are excited to continue working with you and your children to foster a love of learning and curiosity that will last a lifetime.

Reminders

- The weather is changing and is getting hotter every day. Please make sure to send your children with weather appropriate clothes.
- Please make sure that your child has an appropriate water bottle/cup for them to be able to stay hydrated.
- Sunscreen is recommended, if you wish to provide sunscreen make sure to fill out the sunscreen form, without that form we will not be able to administer sunscreen.
- Please keep an eye out for Summer Program 2022 sign ups that is coming up in Mid- May.
- For upcoming events for Teacher Appreciation Week, we will have a week full of fun, where children can show how much appreciation they have towards their teachers where there will be a different way to show appreciation each day of the week.
- Reminder school will be closed on May 29th Memorial Day.
- Please, no open-toe shoes are allowed at school and please make sure that your children shoes are well fitted and are not too tight or loose for safety issues.
- Please make sure that your child's nails are clipped before arriving at school.
- Please make sure to sign in and out your child in the correct spot.
- Pre-K parents, we highly encourage you to notify administration of your child's last day of school after graduation.
- Friendly reminder please make sure that any snacks that you send your child doesn't contain any peanuts we are a nut free zone school.

Please make a note! The school is unable to allow make-up or substitute days for times that a child is absent. There will be NO refund given for days not attended. We DO NOT pro-rate tuition for vacation, sickness, holidays, or school closures. Have any questions or concerns, please email or call.
